Mission News From Panama

We have been in communication with the pastors and missions that we are going to work with in July. They have given us some specific prayer requests and needs that we would like to pass on to all of you have been so faithful in your support of the work that Soul Seekers has done over the years. Each family mentioned is deeply involved in the everyday work of building God's kingdom in Panama. There are opportunities for you or your church to support these families directly. If you decide to contribute to their ministries the money you designate for them will be sent directly to them. Please keep these families in your prayers as they are on the front lines of God's work in some very dangerous neighborhoods in Panama.

Pastor Arias and Ines Roosevelt – La Siesta Mission

Pastor Roosevelt and his wife were the pastors that took over the mission (Bethel) that Max and Verna worked with for four years. Due to the community building that they meet in being sold Bethel's congregation moved to different parts of the city. Two of these families have started new missions in their new neighborhoods. La Siesta is one of these missions that Pastor Roosevelt is working with.

Beto and Yenia Garcia – Pastor Support on Islands

Beto was the pastor of the church that our team worked with last year. We brought a marriage conference and a leadership conference to his church. Beto has prayerfully decided that God is leading him to give pastor support to the ministers of the churches on the Kuna Yala Islands. There has been some difficulties with some of the pastors on the islands making wrong choices. Beto has training in psychology and has been faithfully serving the Lord in different missions throughout Panama. His desire is to spend a week or two with each pastor on several different islands. Lending spiritual and emotional support to these pastors that have little if any encouragement in their work on the islands.

Prayer request:

- Islands that he plans to visit
 - Carti Sugdub (June)
 - Corazon de Jesus (July)
 - Tupile (August)
 - Ailigandi (September)

- Monthly support for travel to islands (\$400)

There are specific things that we would like to do on this trip that will be above the cost we have planned for each individual person. These things are:

- Provide 8 different meals for the pastors, young adults, leaders, and for three families we are planning on visiting. - \$500
- Renting a bus to take some of the leaders with us on our visit to some villages up in the mountains. - \$250
- Price for materials we need for the leadership conference and other events. - \$250
